

## LIST OF IMPACTS AND MANAGEMENT PLANS BY BIOTIC ENVIRONMENT

No.	ENVIRONMENTAL MANAGEMENT PLAN	No.	IMPACT
1	Management of vegetation cover and stripping	1	Changes in vegetation cover
		2	Loss or fragmentation of habitats
2	Compensation for the affectation of forest coverage	1	Changes in vegetation cover
		2	Loss or fragmentation of habitats
3	Study of terrestrial vertebrate fauna	1	Changes in vegetation cover
		2	Loss or fragmentation of habitats
		3	Death and displacement of terrestrial fauna
		4	Pressure Increase on natural resources
4	Research Project. Strategy management of aquatic ecosystems	5	Changes in the River San Matias fish community
		6	Changes in the structure of the aquatic biotope and biocenosis
