**WHEREAS**

S: With this date the Chief Executive Officer of Waters has solved the following

The application presented by Mr. Hernán Bájares Gonzalez, on behalf of Compañía Chilena de Electricidad S.A.; the Ordinary Official letter DL.N°158, from August 25th 1982, of the Legal Department of the General Directorate of Waters; the Ordinary Official Letter DR. N°968, from November 16th 1982, of the Directorate of Irrigation; the Ordinary Official Letter N°162 from April 13th 1983, from the General Directorate of Waters, Metropolitan Region; and what has been arranged in articles 7° Transitional paragraph 2°, 149 and 150 of the Code of Waters,

D.G.A. N°

107

**R E S O L U T I O N :**

- 1.- It constitutes right of non-consumptive exploitation, the permanent and continuous practice, of 15 m3/s of the Yeso river, tributary of the Maipo river, in favour of Compañía Chilena de Electricidad S.A., El Yeso Hydroelectric Power Plant, which the interest party projects to build in the left bank of El Yeso river, municipality of San José de Maipo, Cordillera province, Metropolitan Region.
- 2.- Water will be gravitationally collected in the left bank of Yeso river, downstream the reservoir wall of the same name, to the approximate elevation of 2.500 m.a.s.l. The return will be done into the same river, before its confluence with the Maipo river, at elevation - 1.400 m.a.s.l. The difference between points is 1.100 m.
- 3.- The owner of the right, in practice of it, shall prevent any heavy fall of water that might produce damage in the intake of the existing channels downstream the return.

4. The practice of the right constituted in this Resolution is subject to the waterways that effectively run-off to the El Yeso reservoir outlet, as consequence of the operations performed of this regulation work for effects of suitably satisfies the practice of the existing consumption rights.

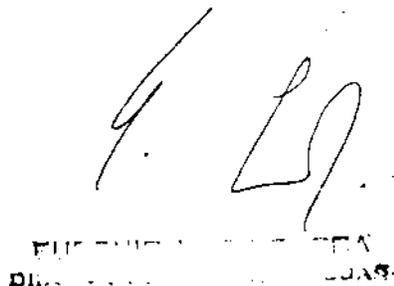

5. The owner of the right shall constitute, at the time, the right of way that would correspond.

6. The owner of the right of exploitation should request to the General Directorate of Waters and the works of mains and return, according to what has been arranged in articles 151 to 157 and 294 and 297 of the Code of Waters.

7. This Resolution will be reduced to a public writ which will be signed by the interest party and the Chief Attorney of the Legal Department of the General Directorate of Waters and a copy of it will be registered on the corresponding Real Estate Registry. The interested party must send to this General Directorate, an authorized copy of such registration for effects of incorporation of it into the Public Registration of Waters.

8. This Resolution shall be registered in the General Directorate of Waters with what has been arranged in Article 122 of the Code of Waters.

IT IS HEREBY ENTERED IN RECORD, ACKNOWLEDGED, AND PUBLISHED.
